Who We Are

Morning Star Youth Ranch is a nonprofit organization created to benefit our youth, support families, and rehabilitate horses. It is our desire to provide a safe place for the youth in our area to find acceptance, growth and challenge.

Our vision is to share the love of Christ by building bridges of hope, healing and trust in a ranch setting. Morning Star Youth Ranch is operating at the historic, picturesque Linn Ranch, just north of Paso Robles, California.

Our Program

Our program pairs one child, one horse, and one leader to meet the unique needs of each child who comes to the ranch. This one-on-one environment ensures that each child receives individual attention and instruction. Morning Star Youth Ranch has created a safe environment where both child and horse can build a relationship based on hope and trust. Guided by a mentor, both young person and horse will experience the joys and challenges of a relationship that will build confidence and teach skills that will be valued throughout life. We believe that horses and children have much to learn from and teach each other.

We are supported by the generous gifts of individuals and organizations so that we can offer our program at no cost to our participants.

Our horses' backgrounds are as varied as the youth who come to the ranch. Miniatures to full sized horses live at the ranch. All have been donated, rescued, or purchased. Some are in need of nutritional, physical, or emotional care, while others are seasoned veterans, wise in the ways of teaching us how to be safe while being with them. It is our desire that all our horses bloom and grow and be restored to usefulness.

Opportunities to Help

There are many ways to be involved in the life of MSYR. Volunteers are always welcome and an application is available on our web site.

Volunteers are screened and trained to insure quality and safe instruction. The support of our community is vital to our success. Your prayers, donations and involvement are welcomed. To donate supplies, equipment, or horses, please call our office.

MSYR is not associated with any particular religious denomination or church. We are a faith-based organization where faith is "lived" not "preached". The founder, board of directors, and staff all believe in God and the saving grace of His Son Jesus Christ. It is our highest honor to serve children and families of all backgrounds regardless of religious beliefs.
